“The Parishioner”

A unique opportunity to be a part of the premier of the next hit play “The Parishioner.” “The Parishioner” will be premiering right here in Flemington at the Elks Lodge on **Sunday, April 13** located at 165 Route 31 South, Flemington NJ before it’s premier in NYC at the MCS Theatre.

The Flemington Elks is a volunteer organization that for over 70 years has been raising funds in support of Special Needs Children, Veterans, Youth and local organizations that serve our community. All profits from the Flemington premier will go to emergency repairs desperately needed at our lodge so that they may continue their work in our communities.

As a local business, please join us in our mission by placing a business ad or personal message in the playbill, **which will also appear online** (Flemington Elks and Theater Comedy Productions websites) for “The Parishioner.” This is an opportunity for your business to be a visible part of a local organization and event that services the same community that your business serves.

By supporting your local Elks, you’re supporting your local community...and yourself!

Include a business advertisement, tribute, memorial, personal message or any combination of these.

All sponsorships will appear in printed program and on both The Flemington Elks & Theater Comedy Productions websites.
