Committee Updates/Reports

ARMY OF HOPE COMMITTEE

Our lodge donated \$200 to the State Army of Hope Committee at the Army of Hope picnic held on September 8th at Lacey Elks lodge in Forked River. The picnic attendance was over 1,400 people and raised over \$250,000 for our Gold Star families and our severely wounded military personnel. This was the first picnic I was able to attend since Covid and it was great seeing the families again that have become part of our family.

The State committee disbursed over \$30,000 to the school aged children of our Gold Star and severely wounded families to assist them in purchasing their Back-to-School supplies. The State committee will again be sending checks to the families with children totaling over \$50,000 to assist in the purchasing of Holiday gifts or to help offset bills that need to be paid.

Please keep our troops deployed in Harm's Way in your thoughts and prayers as they are willing to sacrifice their lives to protect and keep safe their families and ours.

GOD BLESS OUR TROOPS, VETERANS AND THEIR FAMILIES!

GOD BLESS AMERICA!

MERRY CHRISTMAS AND HAPPY HANUKKAH TO OUR MEMBERS AND THEIR FAMILIES!

ELKS NATIONAL FOUNDATION COMMITTEE

Well, here we are—the holidays are at our doorstep, and we have so much to be thankful for. From Thanksgiving and Christmas dinners for people experiencing food insecurity to celebrations for isolated populations, there is a wealth of CIP grant projects that address community needs this time of year. For many Lodges, getting into the holiday spirit also means getting into the CIP spirit.

But just like we encourage Lodges to offer support before and after the holidays, there is plenty happening besides turkey dinners and Christmas gifts. To stay in the know, read on!

Saluting Service

While the ENF supports programs for veterans all year round, Veterans Day is an opportunity for a special celebration. Beyond showing appreciation for their service, CIP grant projects address needs that are often specific to veterans, such as PTSD and other mental health illnesses related to their service. Veterans are also [more at risk of experiencing hunger](#) than the general population and [experience homelessness at almost twice the rate](#) of the general population. CIP grant projects can address these challenges.

[Santa Ynez Valley, Calif., Lodge No. 2640](#) uses its Beacon Grant to provide care packages for unhoused veterans. The Lodge purchases clothing and toiletries and donates them to the local senior center, which maintains a space specifically for veterans who are living outdoors or in unstable housing. Elks keep track of the inventory and purchase accordingly; they are also regularly present at mealtimes to serve and converse with the veterans.

[Chattanooga, Tenn., Lodge No. 91](#) uses a Gratitude Grant to host veterans living with PTSD. With a special focus on women veterans, the Lodge holds roundtable discussions between attendees and mental health professionals to destigmatize some of the challenges they face. Representatives from the V.A. and other support groups are also on hand. After morning sessions, the veterans have access to relaxing activities at the Lodge pool, as well as free haircuts and games for their families.

With its Spotlight Grant, [Jacksonville, Fla., Lodge No. 221](#) hosts a Community Baby Shower for military families. These families from a nearby base are experiencing financial stressors, which can be exacerbated by the relocation that comes with enlistment. Education professionals present information on the importance of early childhood literacy, while Lodge members host reading circles and distribute baby items.

These are just a few of the ways Lodges use their grants to serve veterans. For more examples, [check out this timely feature](#).

Making Mentors

Unfortunately, many children do not have the support system they need in their home. And, even if they do, there can still be a need for guidance from an adult outside the family. Some Lodges use CIP grants to support mentorship organizations, which open new doors for young people that may have previously seen limited prospects for their future. Check out our recent feature to learn how Lodges collaborate with these partners to broaden the horizons of their young neighbors.

Fleming/Reading School District \$1500

Karen Minutella Literacy Reading Program using the book "Freckle Juice" by author Karen Blume in FRSD 345 Third Graders.

CIP Tip

Veterans Day is in November. As mentioned above, the CIP office encourages Lodges to consider using grants beyond the holidays. While we understand that many Lodges have annual charitable holiday traditions, a larger impact can often be made after the rush of giving that occurs during this season. Food pantries and other organizations that serve essential needs [see a decrease in support after the holidays](#), while hunger does not abate. If your Lodge has unused grants, using them to fill this gap in service is a great option.

MOTORCYCLE COMMITTEE

Happy Thanksgiving. Great news for our lodge and all motorcycle riders! We finally have a motorcycle committee at our lodge as of 11/11/2024. I am excited about this because I believe that we can have fun while we raise money for the lodge and our committees.

All are welcome to join and help us do just that. If you are interested in this committee, please reach out to me and I will instruct on the requirements and get you an application for your patches. I hope everyone has a very Happy Thanksgiving and a Very Merry Christmas.

LET'S RIDE!!

Fraternally,
Gregory Fritz
President, Motorcycle Committee

SPECIAL NEEDS CHILDREN COMMITTEE

In November we sent in 15 Campers information and provided their parents with the appropriate information on Camp Moore. They were sent an application via email. Todd, camp coordinator, informed us that the 19+ age group spots were full, with a very long waiting list but the under 18 age group still had availability. Therefore, if anyone knows of anyone who could benefit from Elks Camp Moore, please let me know.

The bingo in November had 204 players and on the next evening, Family Promise held their first annual bingo at the lodge, hosting 150+ players. They were very pleased with the results of their first attempt.

On Saturday, December 14th, this committee will be holding a free breakfast to our Lodge & Auxiliary membership from 8am-11am with a meeting to be held after to discuss the possibilities of volunteers committing to a few hours a month to a community event which historically has shown us a healthy following. Please think seriously about this event and hopefully come and support the effort. There will be a sign-up sheet in the lodge for you to make a reservation for breakfast.

Until next time,
Suzanne Lucas
Special Needs Children Committee
Auxiliary Treasurer

Best wishes to all Elks and their families this holiday season!

VETERANS COMMITTEE

FINALLY, PASTA NIGHT IS BACK. Thank you to everyone that came out and supported the Veterans Committee on November 15th. It was a wonderful evening and to see so many members there was absolutely incredible. We are getting a more active start to raising money to put in the VC coffers to help our vets so the pasta night is here to stay I am glad to say, starting in January.

I would like to thank the following people for helping with the event. Bruce Totten (PER), Gregory Bodnar (PER) and George Upton (PER) were the Chefs. Patti Deluca, Suzanne Lucas and Bernadette Yashkas helped by doing dishes, serving and greeting guests. This event showed what the Elks is about and how by helping each other we can afford to help the ones who really need it. So thank you everyone again.

I would also like to wish all members a very Happy Thanksgiving and Merry Christmas!

Fraternally,
Gregory Fritz

Ramblings by Rich...

Ramblings
by
Rich

Hello All,

The holidays are coming, and everyone is getting their plans together. Sending out cards is a big tradition. Do you know what the stamp said to the Christmas card? Stick with me and we'll go places! Do you know what the difference is between the Christmas alphabet and the ordinary alphabet? The Christmas alphabet has noels!

Years ago, I dated a tennis player. Love meant nothing to her. Last night I dreamt that I walked into a bar and there was a long line of people waiting to take a swing at me. I guess that's the punch line. I have a friend who claims he glued himself to his autobiography. I don't believe him, but that's his story and he's sticking to it. This story just on the news - a man got hit by a rental car. He said it Hertz.

This is a great time of year to purchase discounted sky diving tickets. They are having a big fall sale. I just read a story about a king who was only 12 inches tall. He was a terrible king, but he made an excellent ruler. As I was going to work this morning I put my car in reverse. I thought... this takes me back.

That's it for this month, but of course one last thought. As I get older, I remember all of the people that I lost along the way. Maybe a career as a tour guide wasn't the right choice.

Keep on smiling! Happy Holidays!

PDD Rich
